

# IFSC 1310 - 01 – Internet Technologies

Fall 2013

Tuesday & Thursday

9:25pm – 10:40pm

EIT 219

**Note: This syllabus is subject to modification by the instructor.**

## Class Information

Course Name: IFSC 1310 – Internet Technologies

Instructor: Thomas Wallace

Office: EIT 547

Telephone: 501.804.6422

Email: [tswallace@ualr.edu](mailto:tswallace@ualr.edu)

Office Hours: Monday / Wednesday – 9:00 a.m. - 11:00 p.m. | By Appointment

## Additional Support

EIT Student Academic Services

Jennifer Moody, EIT 117, [jlmoody@ualr.edu](mailto:jlmoody@ualr.edu)

## Course Materials

### Text Book

**Title:** HTML & CSS Web Standards Solutions

**Authors:** Murphy and Persson

**Publisher:** Friends of ED

All additional required materials will be available via my website located at <http://thomaswallace.net>

**External / Cloud Storage** - 1GB Minimum |

## Course Overview

This course is an introduction to Internet client-side technologies and standards-based web development. The course will be divided into sections covering the 4 core components of any web site/page. The sections are Structure, Content, Design (Presentation), and Behavior. At the end of this course, the student will be able to build from the ground up an interactive & accessible web site that

will integrate all of the technologies covered in this course.

## Course Requirements and Grades

10% - Participation & Self-Initiated Learning

30% - Homework Assignments

30% - Skill-Based Assessments (3 - XHTML, CSS, Applied JavaScript)

30% - Final Web Site Project

## Attendance

Attendance is critical in mastering the course material. If you must miss class, please send an email to [tswallace@ualr.edu](mailto:tswallace@ualr.edu) **before class** begins explaining the reason for your absence. Excessive absences will negatively affect your class participation grade.

## Grading Scale

90 — 100%	A
80 — 89%	B
70 — 79%	C
60 — 69%	D
BELOW 60%	F

### *Detailed Schedule*

Session Date	Topic / Activity

11/12/13	<b>Behavior:</b> Introduction to JavaScript – The Power of JavaScript Libraries
11/14/13	<b>Behavior:</b> Introduction to JavaScript – JQuery in class lab
11/19/13	<b>Content/Design:</b> Special Topics - HTML5
11/21/13	<b>Content/Design:</b> Special Topics - CSS 3
11/26/13	<b>Content/Design:</b> Special Topics - Contact Form and other web-based tools
11/28/13	<b>Thanksgiving Holiday - No Class</b>
12/3/13	Project Troubleshooting / Optimization
12/5/13	Project Troubleshooting / Optimization
12/10/13	Consultation Day
12/11/13	Finals Begin

### ***Statement for Students with Disabilities***

Your success in this class is important to me, and it is the policy and practice of the University of Arkansas at Little Rock to create inclusive learning environments consistent with federal and state law. If you have a documented disability (or need to have a disability documented), and need an accommodation, please contact me privately as soon as possible, so that we can discuss with the Disability Resource Center (DRC) how to meet your specific needs and the requirements of the course. The DRC offers resources and coordinates reasonable accommodations for students with disabilities. Reasonable accommodations are established through an interactive process among you, your instructor(s) and the DRC. Thus, if you have a disability, please contact me and/or the DRC, at 501-569-3143 (V/TTY) or 501-683-7629 (VP). For more information, please visit the DRC website at [ualr.edu/disability](http://ualr.edu/disability).
